The approved contractor scheme

Join the WaterMark scheme and you'll become a Severn Trent Water approved contractor.

What's in it for you?

- ✓ Your business will be listed on the approved contractor section of our website.
- ✓ Your customers will be reassured that you're recognised within the Water Industry as a qualified contractor.
- ✓ It demonstrates that you have a good understanding of the Water Supply (Water Fittings) Regulations 1999.
- ✓ You'll be able to work with organisations that only choose to employ contractors that are members of an approved contractor scheme.
- ✓ You'll be able to issue your customers with a compliance certificate, which will reduce the need for your work to be inspected.
- ✓ Certain installations can start immediately without having to seek prior consent (Regulation 5).
- ✓ Reduce the lead time on new connections.
- ✓ If you're eligible for WaterSafe, you'll automatically be registered onto the new national online accreditation scheme.
